

THE GILLARD

The Gillard offers the new home builder a layout that allows separate living areas, ideal for families wanting space for their children to play with the inclusion of a rumpus room. This layout enables families to have their space, whether it be dining family and friends or relaxing in the lounge room in peace and quiet.

With 4 large bedrooms, a cleverly placed rumpus room, this home provides space for families to relax, allowing everyone to live in comfort.

Ask our friendly consultants today for assistance in developing your dream home.
